HAWK Magazine

Dear HAWK,
Don't you think it's offensive when a pretty girl spells her name all weird? I think it's just awful! Case in point: Dakoda from your Holiday issue. Everyone knows that it's spelled "Dakota," and shame on her parents for doing that to her. Poor thing!

Then again, it appears to be the only flaw the girl has. She is certainly gorgeous and sports a terrific body. I love girls her age, so pretty and natural and adorable. I'm not a tattoo man, but I like hers as they seem to frame her pussy without distracting from it (like anything could keep a guy's eyes off that hot little mound for more than a couple seconds!).

I wonder where a girl like Dakoda, who looks so innocent, got the dildo and the idea to oil herself up by the pool? I hope she didn't stay out too long and burn that delicate skin! And the dildo, which by itself would be nothing but a curious gadget in a world full of them, looks so sweet and powerful when it is squeezed inside the tight cooze of a girl like her. She's a great girl, HAWK—great find!

Andre
Tampa Bay, FL

Dear Andre,
Thanks for the letter. We're less concerned with how a girl's name is spelled than how she looks and acts, but to each his own. Life is too short and getting laid can be too difficult to get caught up on a couple letters, especially when one has a beauty like Dakoda in front of them. But you knew that already, didn't you?

Hey HAWK,
It's time to get freaky! It's me, the filly from Philly, the girl who puts the "vain" in Pennsylvania, Francesca! Owoooha! Just got your Holiday issue a couple days ago and hot damn, you guys really did save the best for last!

Don't even try telling me that you don't

know which girl I'm talking about, because you city slickers should know my taste in dames by now. That's right, I'm talking about those scorching photos you guys had of Missy getting banged by some well-hung hombre.

I don't know who that guy is, but I'd take a run with him. The way he pounded her thick gash, then splooged all over her face was quite a show *fo sho!* And that Missy looks like she sure knows how to suck a dick. Where that little mama been hiding? Not here with me, because if she was, I'd be dragging her ass out every night and we'd come home with a carload of guys and both fuck and suck every one of them till they had nothing more to give. Give me her number and maybe we'll send you some photos.

Francesca
Philadelphia, PA

Dear Francesca,
Where have you been? You know we don't deal in maybes, but Missy is an adventurous girl and maybe we could work something out—but we're going to need serious documentation! If Missy is willing to share, it's time for you to step up to the plate, too!

Dear HAWK,
There you go again. Another month, another Babe of the Month. It's my favorite feature in the magazine and your final issue of 2008 did not disappoint. Morgan is hot! She is—yes, I'm going to say it—she is perfect!

What's missing? The face is perfect, with full lips, perfect teeth, beautiful eyes, and amazing hair framing that pretty picture. The body is absolutely amazing, those small, perky titties, the belly-button ring, shaved snatch, and the kind of ass a dude just wants to grab onto and never let go.

She dresses real well, too. I'm pretty sure I could see through those panties, and who doesn't like high heels on a pretty, young thing? Out here on the West Coast we insist on it!

Jer
Los Angeles, CA

Dear Jer,
Don't think we weren't excited when we first got a look at Morgan. She is tremendously beautiful and if that isn't ending the year on a high note, we certainly don't know what is. With any luck at all, you'll be seeing much more of her in upcoming issues of HAWK.

Dear HAWK,
I know all of today's modern men are not necessarily into slender girls, but me, I'm into the ladies with a little less meat on the bones. As my mom always said, "It's a lot easier to pack on the pounds than it is to get rid of them." Boy, was she right!

But more interesting than the dietary habits of girls and women and the guys who love them is the scrumptious Madison, whom I met in your annual Holiday issue. What an amazing find! Even when she was still wearing her yellow tank top and greenish/bluish panties, I thought I was going to pop in my pants. Then when she stretches those panties out and off and then starts using her dildo on the office desk, all I could do was wish I had a private office and the little perkies that apparently come with it. Hot chicks like that hanging out alone and naked in offices while I toil away in a cubicle like a sucker! I guess it gives me something to work toward, but I don't know how long I can wait.

Manuel
Boston, MA

Dear Manuel,
We don't put these photos in the magazine to frustrate guys—just the opposite! It's the opportunity to forget about that cubicle and get lost with a girl who is pure fantasy. It's what we do! Hell, most of us have cubicles, too, Manuel, but don't let that get in the way of your enjoyment of girls like Madison, not for just one moment. We sure don't!

Billie

Billie is a devilish babe, and as you can see, she just loves to suck cock! Why can't all girls be like Billie? We'd all be so much better off. Even if the guy is just a friend, Billie is happy to unzip his fly, yank out his boner, and get her eager mouth working on it. PANTY RAID!

Ah, the sight of a young girl in her panties! What could possibly be as enticing and sweet? If she's got a camel toe going on . . . hmm, the soft cotton hugging the crack of a legal teen pussy is almost too much to bear! And sometimes there are cute, little animals or characters all over their secret underthings. We can't help wondering, the first time we see a new, young girl in her panties, what her treasured pussy is going to look like when it's finally revealed . . . for, as we **HAWK** men know, each and every vagina is unique in its own special way! Now, let's get off on these panties, and the pussies that lie beneath!

HAWK ON THE SET

Story By **Acme Andersson**

In this land of MILFs and honeys, we admit a preference for the latter. While the older ladies have their powers of seduction, it's their younger counterparts that hold our interest. The nubile bodies, enthusiastic attitudes, and fresh, new-girl scent—there is nothing in the world more alluring.

Certainly you'll agree when you get a whiff of these five ladies. ***Britney***, ***Jessica Steele***, ***Juicy Pearl***, ***London Keys***, *and* ***Dani Jensen*** *all have enthusiastic attitudes toward new sexual adventures, and this leads them into some very horny situations. A couple girls seduce their friends' fathers. Another is a sex-starved babysitter who gives all of her attention to the proud papa. The French exchange student spends all of her time naked and seems not to understand the whole "put on clothes thing"—with sexy results. And then there's the girl whose boyfriend stays away too long and his father gets in on the action.*

So many ways to hook up with these just-legal gals, so little time. Good thing our friends over at New Sensations are looking out for us, documenting how these cumly lasses operate, allowing us to perfect our game plans as we go in search of the ultimate ***Daughter I'd Like to Fuck.***

DANI JENSEN

Ht: 5' 1"
Wt: 105
with Michael Stefano

Michael is working on Dani's dad's car when she stops into the garage to say hello. With Pops out of town and her boyfriend unable to please her, she's feeling a little pent-up and needy. She asks Michael if maybe he can help out, suggesting he stop working on the car to work on her.

Soon the gorgeous redhead has his dick in her mouth and then between her legs. She's clean-shaven and her lips are full and wet. She's stunned by the size of his rod and thrilled at how it feels as it fills her hole. "You're way better than my boyfriend," she says as she is sprawled out across the floor of the garage. "I can never go back to him after feeling your big cock inside me." Michael picks her up and she bounces on his dick as they kiss and stare into each other's eyes.

"I want you to cum, baby," she coos, "I want you to cum all over me." She gets up on her knees as Michael makes his way to his feet. She waits hungrily as he strokes his dick a few times and then he douses her mug with his creamy stuff, several blasts combining to cover her prettiness. "I'll fuck you every time you come over to work on Dad's car," she promises. One can expect there will suddenly be a rash of problems with the old man's wheels.

LONDON KEYS

Ht: 5′ 4″
Wt: 134
with Ian Scott

London is at her boyfriend's house hanging around, and with her guy gone, she sets her sights on the old man. He's resistant at first but she's a persistent girl who takes him by the hand and leads it on a caress of her body. When he continues to deny her, she says she has just one question. Exposing her breasts she says, "Are you sure you don't want to touch them?"

He allows her to suck his dick and then bends her over, squeezing his pole into her bare pussy as she joyfully spreads her ass cheeks to give him increased maneuverability. Ian plows into her like a train and is treated to a passionate response from the slutty brunette. When she turns over, her legs spread, her hand can hardly stay away from giving her clit pleasure. "It feels so good," she moans, "I'm going to cum on your cock right now!"

She rides him in a chair until he's about to blow. She gets on her knees and licks his tool. "I love sucking your cock, Mr. M," she says, looking up at him. "You're so much bigger than your son." She also gets quite a kick out of taking his load on her face. Once he blows his wad, his mind goes back to his work and his boy. "You better get out of this office," he says sternly. "Fine," she says, grabbing her clothes and walking out with a satisfied grin.

Hey London, you can have the Keys to our place any time!

We'd love to go "around the world" with Juicy Pearl!

JUICY PEARL

Ht: 5' 5"
Wt: 110
with Anthony Rosano

Juicy is a French foreign exchange student who is more interested in exchanging fluids than in her studies. When she approaches Anthony wearing nothing but panties, the silly man tries to tell her that in America ladies tend to wear clothing when in the presence of others. Lucky for both of them, she doesn't speak the language very well and soon he finds his own clothes off in an effort to bridge the culture gap, but the only gap that's really getting filled here is between Juicy's legs.

She certainly understands what it means to have a hard dick in her mouth and neither needs a translator when she climbs on top of him and stuffs his sausage in her French pastry. She cries out in French that is unmistakably interpreted as dirty talk. She also understands when he bends her over and drills her twat from behind, her round rack bouncing as her hand grasps back looking for something to hang onto as he bangs her.

"Oui, oui, oui!" she purrs as he takes her in spoon. She might not speak much English, but she knows when a guy is about to blow his load. At just the right moment she gets off the couch and settles on her knees. Anthony stands up and lets his jizz fly onto her pretty face. He can only hope that she understands when he tells her not to tell his wife and daughter what has been going on.

BRITNEY

Ht: 5' 3"
Wt: 115
with Ben English

When Ben walks into his daughter's bedroom, he doesn't find the college freshman, instead he happens upon one of her friends as she practices her routine on a newly installed stripper pole. Ben is not amused, but the girl's persistence turns into insistence and soon they are going wildly at each other.

While he tries to resist, once Britney gets his big dick in her mouth, there's no turning back. She gulps on him with great enthusiasm and finally he invites her to sit on his cock. She settles in with a smile, her pussy lips wrapped around his meat as she fondles her clit and her titties bounce up and down. When he takes her from behind, she tells him how much she likes him screwing her pussy and does her best to twist her lithe body around so she can see him slamming into her cooze. Her moans of approval never cease and Ben takes good care of her tight body.

Lying on her side, Britney holds her free leg high in the air, giving full access to her shaved snatch. Ben glides in and out as she moans passionately. When he asks if she's ready for some cum she says, "Yeah, I want it in my mouth." She gets down on her knees, mouth open and tongue hanging out, leaving Ben to splash his ball buildup into her hole and onto her face. "I'd better clean up before my daughter gets home," Ben says, leaving Britney with a smile and a whole lotta love on her face.

JESSICA STEELE

Ht: 5′ 2″
Wt: 115
with Mr. Pete

In this episode of "When Babysitters Attack" we find Jessica in full seduction mode as Mr. Pete tries to get some work done. How does a guy resist a hot, young blonde lying on the couch playing with her pussy as she purrs that she wants him to fuck her? He shouldn't and he doesn't.

"You like fucking my tight, young pussy?" she asks as his cock makes itself at home in her cooch. On top she shows incredible skill, riding rhythmically as Pete just lies there and enjoys it. When he takes over to jackhammer her twat, she relaxes by putting a couple fingers on clit duty. "Your dick is so big," she tells him. "I'm going to cum on your hard dick!" Jessica cums and then turns around to ride Pete cowgirl, her little titties pressed into his mouth.

When Jessica asks if Pete wants her to rub her pussy while he fucks her (too late—been doing that for 20 minutes already!), Pete answers her question with another question: "Where do you want me to cum?" She says she wants it in the mouth, "I want to swallow your cum!" She squats in front of him and jerks his dick toward her open mouth until at last he blows, white stripes shooting up her face and back into her throat. "You cum tastes so good," she tells him as she cleans up the mess on his dick. Just don't mention it to the wife.
